RESERVATION AGREEMENT

_____ ("Purchaser") has deposited the sum of Five Hundred Dollars (\$500.00) with Maine Energy Systems LLC ("MESys) as a reservation deposit on the purchase and installation of a **BOSCH™** wood pellet boiler system to be installed by a MESys authorized installer based on recommendations developed on the basis of a site inspection of your property as identified below.

Purchaser shall enter into a Retail Purchase and Installation Agreement within 10 days after submission of an Agreement to Purchaser at the address set forth below. The reservation deposit shall be applied to the purchase and installation price. Purchaser's failure to sign and return the Purchase and Sale Agreement within any required additional deposit or to arrange an inspection within 10 days of request shall cause this Agreement to become NULL and VOID at the option of MESys, and shall release the MESys of any further obligation to the Purchaser other than the return of the reservation deposit.

If for any reason whatsoever at any time prior to execution of a Retail Purchase and Installation Agreement the Purchaser desires to obtain the return of the Reservation Deposit, Purchaser shall notify MESys and the reservation deposit shall be promptly returned without interest. The return of the reservation deposit shall relieve both Purchaser and MESys of any further obligation or liability to one another. This Agreement sets forth the entire agreement of the parties, and shall be governed by the laws of Maine.
